

To the attention of current and potential manufacturers of capsules destined for the French market and designed to be compatible with Nespresso coffee Machines

As a result of decision n° 14-D-09 of the French Competition Authority dated 4 September 2014 concerning the commitments undertaken by Nespresso, current and potential manufacturers of capsules designed to be compatible with Nespresso Machines, and wishing to benefit from the technical communication pursuant to Section 2 of the said commitments, are invited to contact Bureau Veritas directly by submitting their request to the following email address:
capsule.compatibility@ch.bureauveritas.com.
