

## Zenius Quick Start Guide

### Plugging your machine in

Plug the power cord provided into your machine and connect to power source.

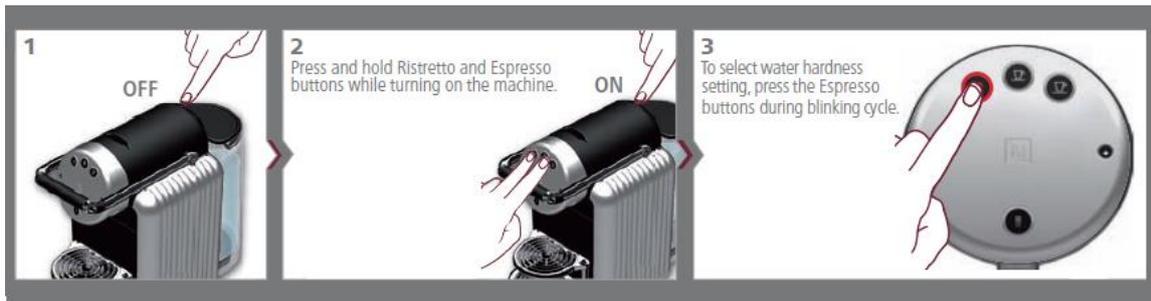

### Priming Your Machine

*For more detailed instructions please consult page 11 of your user manual.*

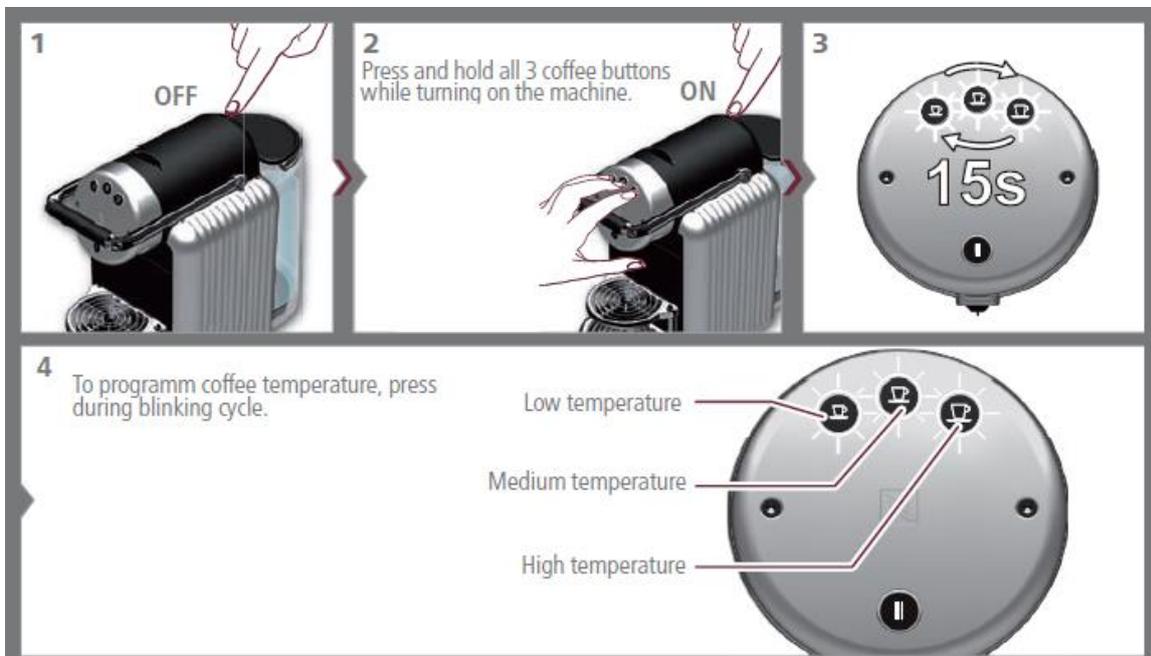

## Zenius Quick Start Guide

### Setting Water Hardness

The above instructions are for **soft water areas only**. For more detailed instructions or if your machine is located in an area with hard water please consult page 17 of your user manual.

### Programing Coffee temperature

We recommend you set your water temperature to **high**. For more detailed instructions please consult page 25 of your use manual.

If you have any further questions about your new Zenius, please do not hesitate to contact the Nespresso Club, 24 hours a day, 7 days a week on 1800 182 206 (toll free).
