

NESPRESSO®

PROFESSIONAL

With health and safety in mind, we have put measures in place to provide you with an exceptional and safe coffee experience in our showroom:

We have limited the number of people in this space to help maintain social distancing.

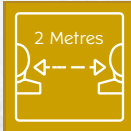

Our employees are wearing masks and carrying out additional hygiene practices for yours and their safety and peace of mind.

All crockery and glassware has been cleaned using our dishwashing machines onsite. Paper cups are also available for your use upon request.

We kindly ask you to comply with the following:

Maintain social distancing by keeping 2 metres between others.

If you are experiencing any symptoms or worried that you could be sick, we ask that you do not visit our showroom.

Please wash your hands at our facilities available onsite. We have also provided hand sanitiser for your use.

We look forward to hosting you and hope you enjoy your visit.

Your **Nespresso** Team
