## THE GIFT OF NESPRESSO MOMENTS

Come celebrate this festive season with gifts for you and your loved ones.

## RECYCLING YOUR NESPRESSO CAPSULES

Nespresso capsules are made from aluminium which is not only infinitely recyclable, but we have found it is the best material to protect the exceptional roast and ground coffee inside. Recycling your capsules is the important role you play in ensuring every cup of Nespresso has a positive impact.

OR

OR

Bring your used coffee capsules to the nearest **Nespresso** Boutique or participating collection point.

Use a bulk recycling box to collect your used capsules on behalf of your community or workplace.

Fill a pre-paid Australia Post **Nespresso** satchel with used capsules and return via Australia Post.
