

HOW TO PREPARE A BEVERAGE WITH OR WITHOUT MILK

BEVERAGE PREPARATION

1. Choose your cup size and place it below the outlet

Select the right size cup depending on the recipe of your choice.

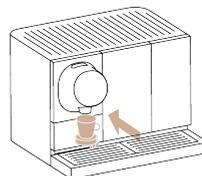

80ml

180ml

350ml

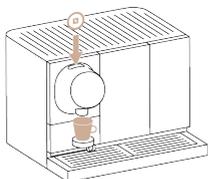

View all sizes at the back of this document

2. Choose your coffee variety and insert capsule

Flatten the edges to make sure the capsule is smooth and not bent

The top of the capsule remains visible, do not press on it.

3. The machine recognises the coffee variety and recommends some recipes

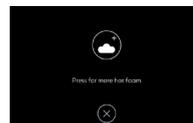

- One circle: recommended
- Two circles: Best enjoyed with this variety

Select your recipe.

4. You can top up with 50ml of either: hot foam/hot milk or hot water

Enjoy!

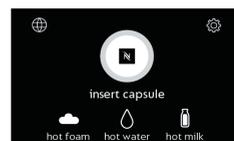

INGREDIENT ONLY PREPARATION HOT FOAM/HOT MILK/HOT WATER
