120 ml grapefruit juice  
1 fresh grapefruit

### INSPIRATIONS

### HOW TO MAKE !

Place the pink grapefruit syrup in a large, cold recipe glass, then fill 3/4 full with crushed ice. Add the fresh grapefruit juice up to a good two centimetres from the top of the glass. Prepare a Bukeela Ka Ethiopia Grand Cru over two ice cubes. Allow the ice cubes to melt. Once it has cooled, pour the Grand Cru into the Aeroccino and select the cold frothing function.
