Leafs Of Orange_ Mint

INSPIRATIONS

HOW TO MAKE !

- Fill half of the glass (about 120 ml) with crushed ice - Add the liqueur and martini
- Add mint leaves into the glass and stir with the ice, so that the essential oils can be solved by the friction from the mint
- Top up with bitter mineral water about 2
- 5 cm below the rim of the glass
- Then pour the coffee on the crushed ice
- Decorate with a slice ruby grapefruit or star fruit
