### INSPIRATIONS

### HOW TO MAKE !

- Prepare the Grand Cru of your choice in 6 espressos (6x 40 ml / 15 oz)
- Pour the espressos into a cold glass jug with the ground aniseed, the liquorice stick snapped in two and the honey
- Leave to develop for 10 minutes, preferably placing the jug in an ice bucket to cool the mixture
- Serve in iced cups topped with fresh mint, half a stick of liquorice and a few ice cubes
