## INSPIRATIONS

## HOW TO MAKE !

### STEP 01 MILKFROTH

Prepare milk froth with your Aeroccino or the steam nozzle of your Nespresso machine. If you have the Barista: Pour the milk into the barista's container to the minimum level indicated then close the lid and press the "On" button on the appliance.

### STEP 04 SYRUP

Add 0.5ml of Pistachio syrup in the coffee

### STEP 02 ADD MILK

Put one teaspoon of condensed milk in the small cup

### STEP 05 DECORATION

Top the espresso with the froth and decorate with crushed pistachios

### STEP 03

Extract a Nespresso espresso in the cup (40 ml)
