#### 01

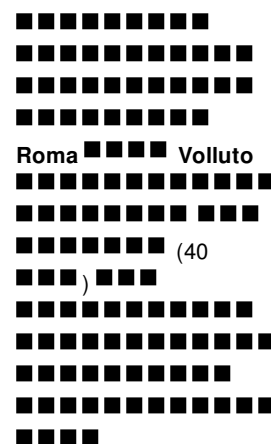

Serve the coffee and pour delicately some froth on the top!

#### 02

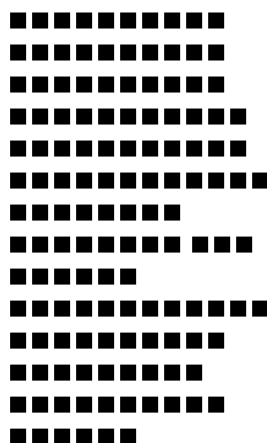

Prepare some milk froth using your **Aeroccino** milk frother

#### 03

Prepare a capsule of either **Roma** or **Volluto** in Espresso (40 ml / 1.3 fl oz) and add sugar if desired

#### 04

Top the Espresso with a  
little frothed milk - For a  
milder taste, add more milk  
froth for this espresso  
macchiato
