INSPIRATIONS

LET'S MAKE IT!

STEP 01

ADD CHOCOLATE SQUARES

Put 2 dark salted caramel chocolate in the bottom of your Cappuccino glass

STEP 02

EXTRACT COFFEE

Extract 1 Nespresso Barista Scuro capsule (40ml, espresso size) into the Cappuccino Glass using your Nespresso coffee machine.

STEP 03

PREPARE THE MILK FROTH

Add milk into the Aeroccino milk frother or the Barista device and make a Cappuccino froth. Once ready, pour the froth into the coffee.

STEP 04

DESIGN YOUR COFFEE

Add design a figure with a stick on the top of the foam.
