INSPIRATIONS

LET'S MAKE IT!

STEP 01 ADD CONDENSED MILK

Add 12.5ml of condensed milk into your Lungo Glass.

STEP 04 PREPARE THE MILK FROTH

Add 20ml milk into the Aeroccino milk frother or the Barista device and make a Cappuccino froth. Once ready, add only the froth on top of your coffee.

STEP 02 EXTRACT COFFEE

Extract 1 Nespresso Barista Corto capsule (40ml, espresso size) into the Cappuccino Glass using your Nespresso coffee machine.

STEP 05 GARNISH YOUR COFFEE

Sprinkle a dash of Cinnamon powder over it.

STEP 03 ADD HOT WATER

Add 40ml hot water into your coffee
