INSPIRATIONS

LET'S MAKE IT!

- Put about 1 small spoon (3 g) of Cailler Le Chocolat into a cup
- Use an Aeroccino (milk heater and frother) to create foamed milk
- Put the liquid part of the milk produced in Step 2 into the cup containing the Cailler Le Chocolat prepared in Step 1
- Stir it well until the powder is dissolved
- Extract espresso coffee (40 ml) into the cup in Step 3
- Place just the foamy part of the milk on the top
