LET'S MAKE IT!

STEP 01

In a separate cup prepare 1 capsule of **Freddo Intenso** (40 ml) over a sprig of fresh rosemary (then remove the rosemary).

STEP 04

Prepare your cold milk froth with your **Aeroccino** or **Barista** device and add it to the recipe glass.

STEP 02

Place 90 g of ice cubes in the recipe glass.

STEP 05

Finally, pour your previously prepared **Nespresso** coffee into your recipe glass.

STEP 03

Add 10 ml of Salted Caramel Monin Syrup (optional).
