## HOW TO MAKE !

### STEP 01

Brew a capsule of **BARISTA CREATIONS FREDDO DELICATO** over 1 tsp of fresh or dried lavender, in a VIEW Recipe glass.

### STEP 04

Pour in the Vanilla syrup, the fresh lemon juice and the sparkling water. Stir gently.

### STEP 02

**a) by hand:** Let it infuse for 2 minutes before straining it into a shaker and adding one ice cube. Seal the shaker and shake vigorously. **b) with the Nespresso Barista device:** Strain it into your Nespresso Barista jug, add 1 ice cube, close the lid, select the "Iced Nitro" recipe and press the start button.

### STEP 05

Pour the cold coffee on top, and garnish with a fresh sprig of lavender.

### STEP 03

Add 4 ice cubes and a slice of lemon into your glass.
