LET'S MAKE IT!

STEP 01

Brew a capsule of **BARISTA CREATIONS FREDDO DELICATO** over 1 tsp of fresh or dried lavender, in a VIEW Recipe glass.

STEP 02

a) by hand: Let it infuse for 2 minutes before straining it into a shaker and adding one ice cube. Seal the shaker and shake vigorously. **b) with the Nespresso Barista device:** Strain it into your Nespresso Barista jug, add 1 ice cube, close the lid, select the "Iced Nitro" recipe and press the start button.

STEP 03

Add 4 ice cubes and a slice of lemon into your glass.

STEP 04

Pour in the Vanilla syrup, the fresh lemon juice and the sparkling water. Stir gently.

STEP 05

Pour the cold coffee on top, and garnish with a fresh sprig of lavender.
