LET'S MAKE IT!

STEP 01

FROTH THE MILK

Pour 200 ml of cold soy plant-based barista milk directly into the **Nespresso Aeroccino device**. Close the lid, press briefly the **CAPPUCCINO** button for froth milk preparation.

STEP 04

GARNISH

Garnish with caramel sauce and grated tonka beans.

STEP 02

ADD CARAMEL

Add 10 gr of Caramel sauce to the bottom of the Barista large cup.

STEP 03

BREW THE COFFEE

Brew 80 ml of **Barista Creations Bianco Doppio for Milk** directly into the glass. Pour the hot foam over the coffee.
