## INSPIRATIONS

## LET'S MAKE IT!

### STEP 01

Put 6 ice cubes (30g each) and a few cubes of watermelon into a Large Barista Recipe glass.

### STEP 02

Pour in 15ml of cane sugar syrup and add 6 fresh mint leaves, then top with 150ml of sparkling water. Stir gently.

### STEP 03

**With the Barista Device:** Put 1 ice cube (30g) in the Barista Device and then brew 80ml of Barista Creations Flavoured Juicy Watermelon Over Ice on top of it. Close the lid, select the "Iced Nitro" recipe, then press the start button. **By Hand:** Put 1 ice cube (30g) in a shaker and then brew 80ml of Juicy Watermelon Over Ice on top of it. Close the lid and shake vigorously.

### STEP 04

Pour it gently into the glass, over the mixture.
