### LET'S MAKE IT!

#### STEP 01

Prepare coffee iced cubes 5 hours before your preparation. Brew Nespresso coffee in Nespresso ice cube tray. For Vertuo : 2 capsules of Double Espresso Scuro (80ml) or 4 capsules of Altissio Decaffeinato (for a decaffeinated version). Will give you 160 ml to make 5 coffee ice cubes and use the 4 needed For Original : 4 capsules of Arpeggio or Arpeggio Decaffeinato. Will give you 160 ml to make 5 coffee ice cubes and use the 4 needed

#### STEP 02

In your blender: Combine the 4 coffee ice cubes, 60ml of vodka, 30ml of Kahlua Coffee Liqueur and 20ml of simple (or vanilla) syrup, and blend about 1 minute.

#### STEP 03

Serve immediately in 2 chilled coupe martini glasses and garnish each with 3 coffee beans, if desired. **This preparation will give you 2 servings**
