HOW TO MAKE !

STEP 01

Into your Reveal Cold Coffee Glass, place 3 ice cubes (of 30g each), add 15ml of Caramel Syrup.

STEP 02

Extract one capsule of Cold Brew Style Intense over the ice and syrup.

STEP 03

Into a shaker, pour 60ml of cold 35% cream, add a pinch of sea salt and 1 ice cube (30g) and close the lid and shake vigorously for 20 seconds until the cream has frothed.

STEP 04

Pour the cream gently over the drink.

STEP 05

As a sweet treat, garnish with caramel fudge on a cocktail stick.
