LET'S MAKE IT!

STEP 01

Into an Affogato Bowl (or cappuccino cup) place one scoop of vanilla ice cream.

STEP 02

Then, pour 100ml of cold 1.5% milk into your Nespresso Barista Device and add a pinch of saffron. Close the lid, select the “Cappuccino” recipe and press the start button.

STEP 03

While waiting, extract 40ml of Cadiz Espresso and pour it around the ice cream in the affogato bowl.

STEP 04

Pour the aromatized milk foam from the Aeroccino over the ice cream and espresso.

STEP 05

For a pop of colour, top it off with a few pieces of saffron.
