#### STEP 02

Cut a small piece of orange zest, rub it between your hands to release the aromas and add it to the glass.

#### STEP 03

Extract 40ml of Freddo Intenso into a shaker, add 2 ice cubes (of 30g each), and shake vigorously for 10 seconds until the espresso is light and frothy.

#### STEP 04

Pour the shaken espresso into the glass, directly over the other ingredients.

#### STEP 05

Slap a branch of fresh rosemary to release the aromatics and place it over top of the drink along with another piece or orange zest to capture the essence of vibrant Sicily.
