HOW TO MAKE !

STEP 01

In a View Recipe glass add 3 ice cubes (30g each) and 10g of honey.

STEP 02

Pour the milk into your device and press for cold foam. Pour the cold milk foam into the glass and then extract one espresso (40 ml) over it.

STEP 03

With the Nespresso Momento or Aguila machines: Place the glass under the outlet and select the Latte Macchiato mode (Momento) or the Iced Macchiato mode (Aguila).

STEP 04

Garnish with a sprig of thyme and a drizzle of honey.
