### LET'S MAKE IT!

#### STEP 01

In a bowl, whisk 1/2 tsp of matcha powder with 4 tbsp of hot water, using a handheld whisk.

#### STEP 04

Extract 1 capsule of Maple Pecan in coffee creation mode (80 ml) over the mixture in the glass.

#### STEP 02

Add 110 ml of milk (3.5%) into your **Aeroccino** device, and press the cold foam button.

#### STEP 03

In a **REVEAL** lungo glass, add 6 ice cubes, and your matcha preparation.
