20 G Sugar

25 MI Yerba Mate Syrup

Capriccio

Ice Cubes

Crushed Ice Cubes

INSPIRATIONS

HOW TO MAKE !

- Prepare the syrup: make an infusion with the yerba mate and the water for 5 minutes
- Mix the strained infusion with the sugar and cook it for 5 minutes in the microwave oven
- Let it cool
- Prepare the drink: smash the ginger in a shaker
- Extract the Grand Cru
- Add the coffee and all the ingredients in the shaker, except the crushed ice cubes and the yerba mate
- Shake it and transfer the drink to a proper glass with some crushed ice cubes
- Finish with a pinch of yerba mate
